

CHRONOMAT 41 LIMITED

An exceptional fuselage for an exceptional engine

Performance. Precision. Elegance. The Chronomat 41 with its Manufacture Breitling caliber and its superb presence on the wrist has asserted itself as the chronograph par excellence. The epitome of the Breitling spirit. The brand now offers its star model in a 2,000-piece limited series that will appeal more strongly than ever to enthusiasts of original designs. The sporting touch is accentuated by a black dial with a red central chronograph seconds hand and red counter hands. An authentic, understated and powerful instrument panel. The original and generous lines of the steel case are enhanced by all-polished finishes – as are the bracelet and the rotating bezel engraved with exclusive numerals. The transparent sapphire crystal caseback affords the rare privilege of a chance to admire Breitling Caliber 01, the world's finest chronograph movement, entirely developed and produced in the brand workshops. Water-resistant to 200 m (660 ft), the Chronomat 41 Limited is naturally chronometer-certified by the COSC (Swiss Official Chronometer Testing Institute) – as indeed are all Breitling models. A strong, unique and quintessential design, combined with all the performances expected of an authentic "instrument for professionals".

Movement: Breitling Caliber 01, officially chronometer-certified by the COSC, selfwinding, high-frequency (28,800 vibrations per hour), 47 jewels. Over 70-hour power reserve. 1/4th second chronograph, 30-minute and 12-hour totalizers. Calendar. Case: steel. Water-resistant to 200 m (660 ft). Screw-locked crown and pushpieces. Unidirectional ratcheted rotating bezel. Cambered sapphire crystal, glareproofed on both sides. Diameter: 41 mm. Dial: Onyx black. Bracelet: steel Pilot.
