## THE QUINTESSENTIAL OYSTER

ROLEX PRESENTS NEW VERSIONS OF ITS QUINTESSENTIAL OYSTER PERPETUAL MODEL, INTRODUCING AN ENTIRELY NEW 39 MM SIZE AS WELL AS EXCLUSIVE NEW DIALS FOR THE 26, 31 AND 34 MM SIZES. THESE NEW VERSIONS JOIN THE 31 AND 36 MM OYSTER PERPETUALS UNVEILED IN 2014, CREATING AN ENTIRE FAMILY OF DIFFERENT SIZES AND ATTRACTIVE DIAL COLOURS FOR A MODEL THAT AFFORDS FULL ACCESS TO THE ROLEX LEGEND. THE RED GRAPE COLOUR IS AVAILABLE IN EACH OF THE SIZES – 26, 31, 34, 36 AND 39 MM, PROVIDING A COMMON THREAD THROUGHOUT THE FAMILY.

*Oyster Perpetual*

## THE PRIVILEGE OF THE ROLEX LEGEND

The Oyster Perpetual is the purest expression of the Oyster concept, having no other function than a reliable and accurate time display. This watch is the direct descendant of the original Oyster launched in 1926, the first waterproof wristwatch in the world and the foundation on which Rolex has built its reputation.

It comprises the renowned Rolex waterproof Oyster case and *Manufacture* mechanical self-winding Perpetual movement. An officially certified chronometer, the Oyster Perpetual is endowed with all the fundamental attributes of the Oyster collection. This timeless model stands out with its eye-catching new dials in elegant and sporty colours.

### **THE OYSTER CASE, SYMBOL OF WATERPROOFNESS AND ROBUSTNESS**

The Oyster Perpetual's Oyster case, guaranteed waterproof to a depth of 100 metres (330 feet), is a paragon of robustness and reliability. The characteristically shaped middle case is crafted from a solid block of particularly corrosion-resistant 904L steel. The fluted case back is hermetically screwed down with a special tool that allows only Rolex watchmakers to access the movement. The winding crown, fitted with the Twinlock double waterproofness system, screws down securely against the case. The crystal is made of virtually scratchproof sapphire. The waterproof Oyster case provides optimal protection for the high-precision movement.

## ROLEX PERPETUAL MOVEMENTS

---

### **CALIBRES 3132, 3130 AND 2231**

According to its size, the Oyster Perpetual is equipped with either calibre 3132 (39 mm version), 3130 (36 and 34 mm versions), or 2231 (31 and 26 mm versions), three self-winding mechanical movements entirely developed and manufactured by Rolex. The high-quality design, manufacture and fine-tuning of Rolex movements ensure exceptional performance. Each movement is a certified Swiss chronometer, a designation reserved for high-precision watches that have passed the Swiss Official Chronometer Testing Institute (COSC) tests. In calibres 3132 and 3130, the oscillator – the true heart of the watch – has a blue

Parachrom hairspring patented and manufactured by Rolex in an exclusive alloy of niobium and zirconium. Insensitive to magnetic interferences, the Parachrom hairspring offers great stability in the face of temperature variations and remains up to 10 times more precise than a traditional hairspring in case of shocks.

### **THE OYSTER BRACELET, SECURE AND COMFORTABLE**

The Oyster Perpetual is paired with a solid-link 904L steel Oyster bracelet, which is very secure and comfortable to wear. It is equipped with a folding Oysterclasp, designed by Rolex.

## OYSTER PERPETUAL 39

Reference (case – bracelet):  
114300 – 70400

---

### CASE

#### TYPE

Oyster (monobloc middle case, screw-down case back and winding crown)

#### DIAMETER

39 mm

#### MATERIAL

904L steel, satin finish

#### BEZEL

Domed

#### CASE BACK

Screw-down with Rolex fluting

#### WINDING CROWN

Screw-down, Twinlock double waterproofness system

#### CRYSTAL

Scratch-resistant sapphire

#### WATERPROOFNESS

100 metres (330 feet)

---

### MOVEMENT

#### CALIBRE

3132, *Manufacture Rolex*  
Mechanical movement with bidirectional self-winding via Perpetual rotor

#### PRECISION

Officially certified Swiss chronometer (COSC)

#### FUNCTIONS

Centre hour, minute and seconds hands  
Stop-seconds for precise time setting

#### OSCILLATOR

Frequency: 28,800 beats/hour (4 Hz)  
Paramagnetic blue Parachrom hairspring  
Breguet overcoil  
Large balance wheel with variable inertia  
High-precision regulating via four gold Microstella nuts  
Traversing balance bridge  
High-performance Paraflex shock absorbers

#### JEWELLING

31 rubies

#### POWER RESERVE

Approximately 48 hours

---

### DIAL

#### COLOUR

Dark rhodium, sunray finish, blue hour transfer

#### HOURL MARKERS

Bâton appliques in 18 ct white gold, 18 ct white gold appliques with phosphorescent material at 3, 6 and 9 o'clock

#### HANDS

18 ct white gold with phosphorescent material

---

### BRACELET

#### TYPE

Oyster, three-piece solid links

#### MATERIAL

904L steel, satin-finished with polished edges

#### CLASP

Folding Oysterclasp

## OYSTER PERPETUAL 34

Reference (case – bracelet):  
114200 – 70190

---

### CASE

#### TYPE

Oyster (monobloc middle case, screw-down case back and winding crown)

#### DIAMETER

34 mm

#### MATERIAL

904L steel, satin finish

#### BEZEL

Domed

#### CASE BACK

Screw-down with Rolex fluting

#### WINDING CROWN

Screw-down, Twinlock double waterproofness system

#### CRYSTAL

Scratch-resistant sapphire

#### WATERPROOFNESS

100 metres (330 feet)

---

### MOVEMENT

#### CALIBRE

3130, *Manufacture Rolex*  
Mechanical movement with bidirectional self-winding via Perpetual rotor

#### PRECISION

Officially certified Swiss chronometer (COSC)

#### FUNCTIONS

Centre hour, minute and seconds hands  
Stop-seconds for precise time setting

#### OSCILLATOR

Frequency: 28,800 beats/hour (4 Hz)  
Paramagnetic blue Parachrom hairspring  
Breguet overcoil  
Large balance wheel with variable inertia  
High-precision regulating via four gold Microstella nuts  
Traversing balance bridge

#### JEWELLING

31 rubies

#### POWER RESERVE

Approximately 48 hours

---

### DIAL

#### COLOUR

Champagne, sunray finish, blue hour transfer

#### HOURL MARKERS

18ct white gold appliques with phosphorescent material

#### HANDS

18ct white gold with phosphorescent material

---

### BRACELET

#### TYPE

Oyster, three-piece solid links

#### MATERIAL

904L steel, satin-finished with polished edges

#### CLASP

Folding Oysterclasp

## OYSTER PERPETUAL 31

Reference (case – bracelet):  
177200 – 70160

---

### CASE

#### TYPE

Oyster (monobloc middle case, screw-down case back and winding crown)

#### DIAMETER

31 mm

#### MATERIAL

904L steel, satin finish

#### BEZEL

Domed

#### CASE BACK

Screw-down with Rolex fluting

#### WINDING CROWN

Screw-down, Twinlock double waterproofness system

#### CRYSTAL

Scratch-resistant sapphire

#### WATERPROOFNESS

100 metres (330 feet)

---

### MOVEMENT

#### CALIBRE

2231, *Manufacture Rolex*  
Mechanical movement with bidirectional self-winding via Perpetual rotor

#### PRECISION

Officially certified Swiss chronometer (COSC)

#### FUNCTIONS

Centre hour, minute and seconds hands  
Stop-seconds for precise time setting

#### OSCILLATOR

Frequency: 28,800 beats/hour (4 Hz)  
Hairspring with Breguet overcoil  
Balance wheel with variable inertia  
High-precision regulating via two gold Microstella nuts  
Traversing balance bridge

#### JEWELLING

31 rubies

#### POWER RESERVE

Approximately 48 hours

---

### DIAL

#### COLOUR

Red grape, sunray finish

#### HOURL MARKERS

III, VI and IX in 18ct white gold, pink Roman numeral hour ring

#### HANDS

18ct white gold

---

### BRACELET

#### TYPE

Oyster, three-piece solid links

#### MATERIAL

904L steel, satin-finished with polished edges

#### CLASP

Folding Oysterclasp

## OYSTER PERPETUAL 26

Reference (case – bracelet):  
176200 – 70130

---

### CASE

#### TYPE

Oyster (monobloc middle case, screw-down case back and winding crown)

#### DIAMETER

26 mm

#### MATERIAL

904L steel, satin finish

#### BEZEL

Domed

#### CASE BACK

Screw-down with Rolex fluting

#### WINDING CROWN

Screw-down, Twinlock double waterproofness system

#### CRYSTAL

Scratch-resistant sapphire

#### WATERPROOFNESS

100 metres (330 feet)
